**POPULAR SCIENCE**

"Many people wear away their gums, even their teeth with aggressive brushing. The Oral-B Triumph (with SmartGuide) cleans up their act with instant feedback on brushing behavior."  
 - Oral-B Triumph with SmartGuide named Best of What's New 2007 by Popular Science

**detnews.com**

"After several weeks with the Triumph with SmartGuide, I've found that pretty much every brushing leaves me feeling like I just got out from under the hygienist's hands."  
 - Tom Gromak, Detroit News Online

**popgadget**

"I've never felt so committed to a dental product in my whole life...my dentist would be so proud!"  
 - Chrissie, PopGadget

**GEARLOG**

"...my teeth really do feel cleaner and I'm sure I'm brushing longer now."  
 - Kyle Monson, GearLog
